

Municipal Building, Lodi, California, Aug. 12, 1912.

In adjourned regular session of the Board of Trustees of the City of Lodi, the following trustees being present: C.A. Black, J.M. Blodgett, G.E. Lawrence and C.A. Rich. Absent: F.C. Hale. President Lawrence presiding.

The minutes of the meeting of Aug. 6, 1912, were read and approved.

Reports from Street Superintendent H.B. Coleman that he had accepted the alleys in block 16, and also West Pine Street between School and Church Streets, were read, and, on motion of Rich seconded by Black, the reports were accepted.

The application of Central California Traction Company for a franchise for a spur track on Sacramento and Lockeford Streets was taken up. Mr. H.M. Mitchell, of Central California Traction Company, asked permission to withdraw the application. It was moved by Rich, seconded by Black, that the request of Central California Traction Company be granted, which motion was carried, and the application withdrawn.

The application of Central California Traction Company for a franchise to construct a spur track on Sacramento Street and running onto private property southwest of California Fruit Exchange Fruit Shed was read and filed.

An ordinance granting said franchise was read and introduced, and, on motion of Rich, seconded by Blodgett, laid on the table for not less than five days exclusive of the day of introduction.

A. Babel asked for information regarding the grades on E. Walnut Street. Referred to Street Committee.

J.P. Gilbeau stated that he would build a hotel costing from \$20,000.00 to \$25,000.00 if assured that he would be granted a liquor license. He was referred to the ordinance.

J.J. Thompson called the attention of the Board to the matter of people hitching horses to the electroliers.

The matter of changes in the license ordinance was discussed and the matter referred to a committee consisting of the Clerk and the Marshal to prepare a revision of the entire license ordinance.

The proposed dog muzzling ordinance was referred to the Committee of the Whole.

The chairman of the Public Utilities Committee recommended

the sewer and water pipes in the Burr Addition be extended to the city limits, and, on motion of Black, seconded by Rich, the recommendation was accepted and the work ordered.

Profiles of the city grades, embracing the drainage system of the City of Lodi, prepared by City Engineer, J.W. McAfee, were presented and referred to the Street Committee.

The matter of placing the electroliers on W. Oak Street was left to the Street Committee.

At this point in the proceedings, President Lawrence was obliged to retire from the meeting and C.A. Rich was chosen President Pro Tem. The matter of whether the city should pump the new well or whether the contractor should do so was discussed at some length and it appeared to be the opinion of the Board that it was up to the contractor to show that he had the required quantity of water.

The Board adjourned.

Attest:

  
City Clerk.
